

## **Announcement**

It has been an exciting few weeks at Penmore Benefits and it is my pleasure to formally announce that we have partnered with Navacord – Canada’s fourth largest commercial insurance brokerage and a leader in group insurance and risk management solutions.

As we continued our growth journey at Penmore Benefits, we were looking for opportunities where we could scale our business but also maintain the relationships we’ve developed with our partners, associations, and of course, with you—our clients.

Joining Navacord represents an important step for us at Penmore Benefits, one from which we expect our team and our clients to benefit. We’ll now be able to leverage the resources and strength of a national partner as we collaborate, share expertise, resources and best practices.

### **What you can expect going forward:**

Rest assured, it is business as usual. You will continue to receive the exceptional service and advice that you have come to expect from all of us here at Penmore Benefits.

This is a positive development for Penmore Benefits and we invite you to learn more about our partnership by reviewing the [attached announcement](#).

Of course, should you have any other questions, please feel free to reach out to us directly.

Sincerely,

**Lio Spagnuolo, President  
Penmore Benefits Inc.**
